Woods Glass (NZ) Limited

**Woods Glass** designed, engineered and installed the façade for the Level 9 Main Entry Podium (below), installing structural glass elements, automatic doors, manual pivoting doors and a revolving door unit.

In terms of the greater exterior, Woods Glass worked closely with Thermosash Commercial to create the external façade, the roof glazing and the rotunda windows.

*For your glass maintenance/inspection work, total vision systems, commercial glazing and re-glazing, structural silicone glazing, internal glass partitions, grade "A" laminated glass and mirrors, contact the professionals:-*
